

**IN THE UNITED STATES DISTRICT COURT FOR THE  
WESTERN DISTRICT OF MISSOURI  
WESTERN DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

v.

Case No. 22-00235-02-CR-W-BP

SAVANNAH SMITH,

Defendant.

**PLEA AGREEMENT**

Pursuant to Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, the parties described below have entered into the following plea agreement:

**1. The Parties.** The parties to this agreement are the United States Attorney's Office for the Western District of Missouri (otherwise referred to as "the Government" or "the United States"), represented by Teresa A. Moore, United States Attorney, and Sean T. Foley, Assistant United States Attorney, and the defendant, Savannah Smith ("the defendant"), represented by Blade Moore.

The defendant understands and agrees that this plea agreement is only between her and the United States Attorney for the Western District of Missouri, and that it does not bind any other federal, state, or local prosecution authority or any other government agency, unless otherwise specified in this agreement.

**2. Defendant's Guilty Plea.** The defendant agrees to and hereby does plead guilty to the lesser-included offense of Count One of the Indictment charging her with violations of 21 U.S.C. §§ 841(a)(1) and (b)(1)(C), that is, conspiracy to distribute a controlled substance (methamphetamine). By entering into this plea agreement, the defendant admits that she knowingly committed this offense, and is in fact guilty of it.

3. **Factual Basis for Guilty Plea.** The parties agree that the facts constituting the offense to which she is pleading guilty are as follows:

The Defendant **SAVANNAH SMITH** knowingly and intentionally considered and agreed with others, both known and unknown, to distribute 500 grams or more of a mixture or substance containing a detectable amount of methamphetamine, a Schedule II controlled substance, contrary to the provisions of Title 21, United States Code, Sections 841(a)(1), (b)(1)(A), and 846. The conspiracy began at an unknown date but no later than August 1, 2019, and continued to at least March 26, 2021, and **SMITH** agrees he participated in this conspiracy within Jackson County, Missouri, which is within the Western District of Missouri and elsewhere.

In the Fall of 2020 and into the Spring of 2021, law enforcement officials in the Independence, Missouri area obtained information about individuals dealing large amounts of methamphetamine from a residence in Independence, Missouri, which is within the Western District of Missouri ("the Residence"). Law enforcement officials identified **WILLIAM LEE BAILEY**, **ERIC S. POSTON**, and **SMITH** as coming and going from the Residence or having vehicles associated with them at it.

On March 16, 2021, officials identified a maroon Chevrolet truck bearing Missouri ("Maroon Truck"), arrive at the residence. A male later identified as **BRANDON BEADEL** got out and went into the Residence through its backdoor. About a half hour later, **BEADEL** left the residence speaking with **POSTON**, and then got in the Maroon Truck and drove away. Officers conducted a car stop on the Maroon Truck for traffic violations and **BEADEL** was driving and appeared under the influence of drugs or alcohol. The Maroon Truck was searched and investigators found a Ruger 9mm magazine loaded with seven rounds as well as a black bag, which contained two bags of methamphetamine one weighing 30 grams and the other 8 grams.

Following the car stop and the drugs being recovered from **BEADEL**, investigators on March 18, 2021, applied for and obtained search warrant for the Residence. The Residence was searched on March 25, 2021. **BAILEY**, **SMITH**, and **ALYSSA ENLOW**, along with two children, were inside the Residence.

As the officers moved through, they observed a large TV Monitor in the basement linked to a Ring Video Camera Surveillance system which was recording surveillance video from cameras filming both the outside of the Residence, as well as activity from inside the Residence's basement. The search of the Residence uncovered, among other items, the following:

- technicolor DVR system from the main floor living room;
- A Savage Arms 320, pistol grip 12-gauge shotgun ("Savage") and shells from storage shed with defaced serial number;
- a Ruger SR9C, 9mm pistol bearing serial number 336-25356 ("Ruger") from the kitchen, loaded with a magazine with 10 rounds;
- Methamphetamine and Drug Distribution Evidence in Basement:

- Gray Zippered “Glock” Case (“Glock Case”) with a Ziplock bag with 796.70 grams of methamphetamine;
- Digital scale and empty baggies from bag on basement bed;
- Black Bag in basement dryer with two Ziplock bags containing respectively 87.10 grams and 210.82 grams of methamphetamine;
- four 12-gauge shells, a 9mm cartridge and two magazine son bed in basement;
- Black nylon holster in basement north room;
- Seven 12-gauge shells from south wall of basement bedroom;
- Two LG phones and six 9mm cartridges and magazine from bedroom headboard;
- thirteen .45 caliber and one 9mm cartridges from top drawer basement bed;
- Notepad from downstairs basement bedroom;
- Pink file folder with papers belonging to ENLOW from north basement room clothes hamper

On April 8, 2021, investigators obtained a search warrant for the Ring Video System (“the Ring System”) installed at the Residence. The Ring System account belonged to “Lee Bailey.” The Ring System had been set up to film and record activity inside the Residence’s basement, which also happened to be the location from where the parties distributed drugs. The Ring System search warrant returned video roughly from February 18, 2021, through the search warrant’s execution on March 25, 2021.

The Ring System provided evidence that **SMITH** and others both known and unknown were engaged in a conspiracy to distribute methamphetamine. The video showed numerous drug transactions, individuals possessing firearms, individuals counting U.S. Currency as proceeds from the conspiracy, and individuals possessing large, gallon Ziplock bags containing methamphetamine.

**SMITH** agrees that the Ring System captured numerous times in which **SMITH** was holding large Ziplock bags containing methamphetamine, counting money which were proceeds of illegal drug trafficking, and possessing firearms while possessing distribution amounts of methamphetamine and proceeds derived from illegal drug distribution. All of these actions **SMITH** admits were done to further the conspiracy.

**4. Use of Factual Admissions and Relevant Conduct.** The defendant acknowledges, understands and agrees that the admissions contained in Paragraph 3 and other portions of this plea agreement will be used for the purpose of determining her guilt and advisory sentencing range under the United States Sentencing Guidelines (“U.S.S.G.”), including the calculation of the defendant’s offense level in accordance with U.S.S.G. § 1B1.3(a)(2). The defendant acknowledges, understands and agrees that the conduct charged in any dismissed counts of the

Indictment as well as all other uncharged related criminal activity may be considered as “relevant conduct” pursuant to U.S.S.G. § 1B1.3(a)(2) in calculating the offense level for the charge to which she is pleading guilty.

**5. Statutory Penalties.** The defendant understands that upon her plea of guilty to the lesser-included offense of Count One of the Indictment charging her with conspiracy to distribute methamphetamine in violation of 21 U.S.C. §§ 841(a)(1) and (b)(1)(C), the maximum penalty the Court may impose is not more than twenty (20) years imprisonment, a \$1,000,000 fine, and life of supervised release. The defendant further understands that this is a Class C felony. This count further requires a \$100 mandatory special assessment.

**6. Sentencing Procedures.** The defendant acknowledges, understands and agrees to the following:

a. in determining the appropriate sentence, the Court will consult and consider the United States Sentencing Guidelines promulgated by the United States Sentencing Commission; these Guidelines, however, are advisory in nature, and the Court may impose a sentence either less than or greater than the defendant’s applicable Guidelines range, unless the sentence imposed is “unreasonable”;

b. the Court will determine the defendant’s applicable Sentencing Guidelines range at the time of sentencing;

c. in addition to a sentence of imprisonment, the Court may impose a term of supervised release of at least three (3) years;

d. the Court may impose any sentence authorized by law, including a sentence that is outside of, or departs from, the applicable Sentencing Guidelines range;

e. any sentence of imprisonment imposed by the Court will not allow for parole;

f. the Court is not bound by any recommendation regarding the sentence to be imposed or by any calculation or estimation of the Sentencing Guidelines range offered by the parties or the United States Probation Office; and

g. the defendant may not withdraw his guilty plea solely because of the nature or length of the sentence imposed by the Court.

7. **Government's Agreements.** Based upon evidence in its possession at this time, the United States Attorney's Office for the Western District of Missouri, as part of this plea agreement, agrees not to bring any additional charges against defendant for any federal criminal offenses related to the crimes described above for which it has venue and which arose out of the defendant's conduct described above. The United States further agrees to dismiss Count Four at the time of sentencing.

The defendant understands that this plea agreement does not foreclose any prosecution for an act of murder or attempted murder, an act or attempted act of physical or sexual violence against the person of another, or a conspiracy to commit any such acts of violence or any criminal activity of which the United States Attorney for the Western District of Missouri has no knowledge.

The defendant recognizes that the United States' agreement to forego prosecution of all of the criminal offenses with which the defendant might be charged is based solely on the promises made by the defendant in this agreement. If the defendant breaches this plea agreement, the United States retains the right to proceed with the original charges and any other criminal violations established by the evidence. The defendant expressly waives her right to challenge the initiation of the dismissed or additional charges against her if she breaches this agreement. The defendant expressly waives her right to assert a statute of limitations defense if the dismissed or additional charges are initiated against her following a breach of this agreement. The defendant further understands and agrees that if the Government elects to file additional charges against her following her breach of this plea agreement, she will not be allowed to withdraw her guilty plea.

8. **Preparation of Presentence Report.** The defendant understands the United States will provide to the Court and the United States Probation Office a government version of the offense conduct. This may include information concerning the background, character, and conduct of the defendant, including the entirety of her criminal activities. The defendant understands these disclosures are not limited to the count to which she has pleaded guilty. The United States may respond to comments made or positions taken by the defendant or the defendant's counsel and to correct any misstatements or inaccuracies. The United States further reserves its right to make any recommendations it deems appropriate regarding the disposition of this case, subject only to any limitations set forth in this plea agreement. The United States and the defendant expressly reserve the right to speak to the Court at the time of sentencing pursuant to Rule 32(i)(4) of the Federal Rules of Criminal Procedure.

9. **Withdrawal of Plea.** Either party reserves the right to withdraw from this plea agreement for any or no reason at any time prior to the entry of the defendant's plea of guilty and its formal acceptance by the Court. In the event of such withdrawal, the parties will be restored to their pre-plea agreement positions to the fullest extent possible. However, after the plea has been formally accepted by the Court, the defendant may withdraw her plea of guilty only if the Court rejects the plea agreement or if the defendant can show a fair and just reason for requesting the withdrawal. The defendant understands that if the Court accepts her plea of guilty and this plea agreement but subsequently imposes a sentence that is outside the defendant's applicable Sentencing Guidelines range, or imposes a sentence that the defendant does not expect, like or agree with, she will not be permitted to withdraw her plea of guilty.

**10. Agreed Guidelines Applications.** With respect to the application of the Sentencing Guidelines to this case, the parties stipulate and agree as follows:

a. The Sentencing Guidelines do not bind the Court and are advisory in nature. The Court may impose a sentence that is either above or below the defendant's applicable Guidelines range, provided the sentence imposed is not "unreasonable";

b. The parties agree that the Guidelines section applicable is U.S.S.G. § 2D1.1(c), and that the base offense level is not less than 34;

c. The parties have no agreements about the any sentencing enhancements.

d. The defendant has admitted her guilt and clearly accepted responsibility for her actions, and has assisted authorities in the investigation or prosecution of her own misconduct by timely notifying authorities of her intention to enter a plea of guilty, thereby permitting the Government to avoid preparing for trial and permitting the Government and the Court to allocate their resources efficiently. Therefore, she is entitled to a three-level reduction pursuant to § 3E1.1(b) of the Sentencing Guidelines. The Government, at the time of sentencing, will file a written motion with the Court to that effect, unless the defendant (1) fails to abide by all of the terms and conditions of this plea agreement and her pretrial release; or (2) attempts to withdraw her guilty plea, violates the law, or otherwise engages in conduct inconsistent with her acceptance of responsibility;

e. There is no agreement between the parties regarding the defendant's criminal history category. The parties agree that the Court will determine her applicable criminal history category after receipt of the presentence investigation report prepared by the United States Probation Office;

f. The defendant understands that the estimate of the parties with respect to the Guidelines computation set forth in the subsections of this paragraph does not bind the Court or the United States Probation Office with respect to the appropriate Guidelines levels. Additionally, the failure of the Court to accept these stipulations will not, as outlined in Paragraph 9 of this plea agreement, provide the defendant with a basis to withdraw her plea of guilty;

g. The defendant consents to judicial fact-finding by a preponderance of the evidence for all issues pertaining to the determination of the defendant's sentence, including the determination of any mandatory minimum sentence (including the facts that support any specific offense characteristic or other enhancement or adjustment), and any legally authorized increase above the normal statutory maximum. The defendant waives any right to a jury determination

beyond a reasonable doubt of all facts used to determine and enhance the sentence imposed, and waives any right to have those facts alleged in the Indictment. The defendant also agrees that the Court, in finding the facts relevant to the imposition of sentence, may consider any reliable information, including hearsay; and

h. The defendant understands and agrees that the factual admissions contained in Paragraph 3 of this plea agreement, and any admissions that she will make during her plea colloquy, support the imposition of the agreed-upon Guidelines calculations contained in this agreement.

**11. Effect of Non-Agreement on Guidelines Applications.** The parties understand, acknowledge and agree that there are no agreements between the parties with respect to any Sentencing Guidelines issues other than those specifically listed in Paragraph 10, and its subsections. As to any other Guidelines issues, the parties are free to advocate their respective positions at the sentencing hearing.

**12. Change in Guidelines Prior to Sentencing.** The defendant agrees that if any applicable provision of the Guidelines changes after the execution of this plea agreement, then any request by defendant to be sentenced pursuant to the new Guidelines will make this plea agreement voidable by the United States at its option. If the Government exercises its option to void the plea agreement, the United States may charge, reinstate, or otherwise pursue any and all criminal charges that could have been brought but for this plea agreement.

**13. Government's Reservation of Rights.** The defendant understands that the United States expressly reserves the right in this case to:

a. oppose or take issue with any position advanced by defendant at the sentencing hearing which might be inconsistent with the provisions of this plea agreement;

b. comment on the evidence supporting the charge in the Indictment;

c. oppose any arguments and requests for relief the defendant might advance on an appeal from the sentences imposed and that the United States

remains free on appeal or collateral proceedings to defend the legality and propriety of the sentence actually imposed, even if the Court chooses not to follow any recommendation made by the United States; and

d. oppose any post-conviction motions for reduction of sentence, or other relief.

**14. Waiver of Constitutional Rights.** The defendant, by pleading guilty, acknowledges that she has been advised of, understands, and knowingly and voluntarily waives the following rights:

a. the right to plead not guilty and to persist in a plea of not guilty;

b. the right to be presumed innocent until her guilt has been established beyond a reasonable doubt at trial;

c. the right to a jury trial, and at that trial, the right to the effective assistance of counsel;

d. the right to confront and cross-examine the witnesses who testify against her;

e. the right to compel or subpoena witnesses to appear on her behalf; and

f. the right to remain silent at trial, in which case her silence may not be used against her.

The defendant understands that by pleading guilty, she waives or gives up those rights and that there will be no trial. The defendant further understands that if she pleads guilty, the Court may ask her questions about the offense or offenses to which she pleaded guilty, and if the defendant answers those questions under oath and in the presence of counsel, her answers may later be used against her in a prosecution for perjury or making a false statement. The defendant also understands she has pleaded guilty to a felony offense and, as a result, will lose her right to possess a firearm or ammunition and might be deprived of other rights, such as the right to vote or register to vote, hold public office, or serve on a jury.

**15. Waiver of Appellate and Post-Conviction Rights.**

a. The defendant acknowledges, understands and agrees that by pleading guilty pursuant to this plea agreement she waives her right to appeal or collaterally attack a finding of guilt following the acceptance of this plea agreement, except on grounds of (1) ineffective assistance of counsel; or (2) prosecutorial misconduct.

b. The defendant expressly waives her right to appeal her sentence, directly or collaterally, on any ground except claims of (1) ineffective assistance of counsel; (2) prosecutorial misconduct; or (3) an illegal sentence. An “illegal sentence” includes a sentence imposed in excess of the statutory maximum, but does *not* include less serious sentencing errors, such as a misapplication of the Sentencing Guidelines, an abuse of discretion, or the imposition of an unreasonable sentence. However, if the United States exercises its right to appeal the sentence imposed as authorized by 18 U.S.C. § 3742(b), the defendant is released from this waiver and may, as part of the Government’s appeal, cross-appeal her sentence as authorized by 18 U.S.C. § 3742(a) with respect to any issues that have not been stipulated to or agreed upon in this agreement.

**16. Financial Obligations.** By entering into this plea agreement, the defendant represents that she understands and agrees to the following financial obligations:

a. The Court may order restitution to the victims of the offense to which the defendant is pleading guilty. The defendant agrees that the Court may order restitution in connection with the conduct charged in any counts of the indictment which are to be dismissed and all other uncharged related criminal activity.

b. The United States may use the Federal Debt Collection Procedures Act and any other remedies provided by law to enforce any restitution order that may be entered as part of the sentence in this case and to collect any fine.

c. The defendant willfully and truthfully disclose all assets and property in which she has any interest, or over which the defendant exercises control directly or indirectly, including assets and property held by a spouse, nominee or other third party. The defendant’s disclosure obligations are ongoing, and are in force from the execution of this agreement until the defendant has satisfied the restitution order in full.

d. Within 10 days of the execution of this plea agreement, at the request of the USAO, the defendant agrees to execute and submit (1) a Tax Information Authorization form; (2) an Authorization to Release Information; (3) a completed financial disclosure statement; and (4) copies of financial information that the defendant submits to the U.S. Probation Office. The defendant understands that compliance with these requests will be taken into account when the United States

makes a recommendation to the Court regarding the defendant's acceptance of responsibility.

e. At the request of the USAO, the defendant agrees to undergo any polygraph examination the United States might choose to administer concerning the identification and recovery of substitute assets and restitution.

f. The defendant hereby authorizes the USAO to obtain a credit report pertaining to her to assist the USAO in evaluating the defendant's ability to satisfy any financial obligations imposed as part of the sentence.

g. The defendant understands that a Special Assessment will be imposed as part of the sentence in this case. The defendant promises to pay the Special Assessment of \$100 by submitting a satisfactory form of payment to the Clerk of the Court prior to appearing for the sentencing proceeding in this case. The defendant agrees to provide the Clerk's receipt as evidence of her fulfillment of this obligation at the time of sentencing.

h. The defendant certifies that she has made no transfer of assets or property for the purpose of (1) evading financial obligations created by this Agreement; (2) evading obligations that may be imposed by the Court; nor (3) hindering efforts of the USAO to enforce such financial obligations. Moreover, the defendant promises that she will make no such transfers in the future.

i. In the event the United States learns of any misrepresentation in the financial disclosure statement, or of any asset in which the defendant had an interest at the time of this plea agreement that is not disclosed in the financial disclosure statement, and in the event such misrepresentation or nondisclosure changes the estimated net worth of the defendant by ten thousand dollars (\$10,000.00) or more, the United States may at its option: (1) choose to be relieved of its obligations under this plea agreement; or (2) let the plea agreement stand, collect the full forfeiture, restitution, and fines imposed by any criminal or civil judgment, and also collect 100% (one hundred percent) of the value of any previously undisclosed assets. The defendant agrees not to contest any collection of such assets. In the event the United States opts to be relieved of its obligations under this plea agreement, the defendant's previously entered pleas of guilty shall remain in effect and cannot be withdrawn.

**17. Waiver of FOIA Request.** The defendant waives all of her rights, whether asserted directly or by a representative, to request or receive, or to authorize any third party to request or receive, from any department or agency of the United States any records pertaining to the investigation or prosecution of this case including, without limitation, any records that may be

sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a.

**18. Waiver of Claim for Attorney's Fees.** The defendant waives all of her claims under the Hyde Amendment, 18 U.S.C. § 3006A, for attorney's fees and other litigation expenses arising out of the investigation or prosecution of this matter.

**19. Defendant's Breach of Plea Agreement.** If the defendant commits any crimes, violates any conditions of release, or violates any term of this plea agreement between the signing of this plea agreement and the date of sentencing, or fails to appear for sentencing, or if the defendant provides information to the Probation Office or the Court that is intentionally misleading, incomplete, or untruthful, or otherwise breaches this plea agreement, the United States will be released from its obligations under this agreement. The defendant, however, will remain bound by the terms of the agreement, and will not be allowed to withdraw her plea of guilty.

The defendant also understands and agrees that in the event she violates this plea agreement, all statements made by her to law enforcement agents subsequent to the execution of this plea agreement, any testimony given by her before a grand jury or any tribunal or any leads from such statements or testimony shall be admissible against her in any and all criminal proceedings. The defendant waives any rights that she might assert under the United States Constitution, any statute, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other federal rule that pertains to the admissibility of any statements made by her subsequent to this plea agreement.

**20. Defendant's Representations.** The defendant acknowledges that she has entered into this plea agreement freely and voluntarily after receiving the effective assistance, advice and approval of counsel. The defendant acknowledges that she is satisfied with the assistance of

counsel, and that counsel has fully advised her of her rights and obligations in connection with this plea agreement. The defendant further acknowledges that no threats or promises, other than the promises contained in this plea agreement, have been made by the United States, the Court, her attorneys or any other party to induce her to enter her plea of guilty.

**21. Intensive Drug Treatment Court.** The defendant has expressed a desire to voluntarily participate in the Intensive Drug Treatment Court Program (IDTC) and has signed a participant agreement that requires defendant's full compliance with all IDTC program requirements, court orders, conditions of bond, and the terms of the participant agreement. Accordingly, an essential term of this plea agreement is the defendant's successful completion of the IDTC program. Upon the defendant's successful completion of the IDTC program, the parties agree the defendant should receive a non-Guideline sentence, the parameters of which will be determined by the Court at sentencing.

Defendant understands that sentencing in this case will not occur until the conclusion of defendant's participation in IDTC, which could be as long as 36 months, or more. Accordingly, defendant waives any constitutional, statutory or rule-based right defendant might have to be sentenced without delay, and waives any claim defendant might have or assert arising from the delay between the date of defendant's guilty plea and date of defendant's sentencing.

The defendant further understands and agrees that she has no constitutional, statutory, or rule-based right to participate in IDTC, and the Court may terminate the defendant's participation in IDTC at any time. Accordingly, the defendant waives any claim the defendant might have or assert arising from the court's termination of defendant's participation in IDTC, and specifically understands and agrees that the court's decision to terminate the defendant's participation in IDTC is not subject to appeal or review in any manner.

The defendant further understands and agrees that any failure to successfully complete the IDTC program, e.g., an involuntary termination, voluntary termination, administrative termination, or any other less than successful termination, will automatically constitute a breach of this plea agreement, thereby triggering application of the provisions in paragraphs 7 and 19 of this plea agreement dealing with defendant's breach of this plea agreement. In the event of such a breach, the United States will be released from its obligations under this plea agreement, however, the defendant will remain bound by the terms of this plea agreement, and will not be allowed to withdraw her plea of guilty.

If the defendant breaches this plea agreement, the United States retains the right to proceed with the original charges and prosecute any other criminal violations established by the evidence. The defendant expressly waives defendant's right to challenge the initiation of the dismissed or additional charges if defendant breaches this agreement. The defendant expressly waives the right to assert a statute of limitations defense if the dismissed or additional charges are initiated following defendant's breach of this agreement. The defendant further understands and agrees that if the United States proceeds with the original charges and/or elects to file additional charges against defendant following a breach of this plea agreement, defendant will not be allowed to withdraw defendant's guilty plea.

**22. No Undisclosed Terms.** The United States and defendant acknowledge and agree that the above-stated terms and conditions, together with any written supplemental agreement that might be presented to the Court in camera, constitute the entire plea agreement between the parties, and that any other terms and conditions not expressly set forth in this agreement or any written supplemental agreement do not constitute any part of the parties' agreement and will not be enforceable against either party.

23. **Standard of Interpretation.** The parties agree that the constitutional implications inherent in plea agreements shall determine the interpretation and nature of its terms.
